## Bachelor of Science in Organizational Leadership

The Bachelor of Science in Organizational Leadership is a degree program for working adults. It's a perfect opportunity to finish your bachelor's degree in an intensive, flexible format that is convenient for those who wish to attend school while working and raising a family. Students who successfully complete the program are granted a Bachelor of Science in Organizational Leadership. This degree prepares students for success in government, nonprofit, corporate, or industrial careers. The curriculum consists of skills and theory regarding organizational behavior, ethics, interpersonal skills, and management, finance and communication skills. To be admitted into the BS in Organizational Leadership program you need 72\* hours previous college work, to be 21 years of age, and have a minimum 2.0 accumulative GPA in previous college work.

\*Conditional admission into program may be granted for those students with less than 72 hours.

For enrollment and program information contact
