

Cameron University – Using AggiePass to Change Your Password

Use the following web address and log into AggiePass with your current username and password:

<http://aggiepass.cameron.edu/>

The screenshot shows the Cameron University AggiePass login page. On the left, there is a section titled "Update Your Cameron Account:" with links for "User Registration" (if never registered), "Change Password" (if wanting to change it), and "ITS Helpdesk". Below this is contact information for students and faculty/staff. On the right, there is a "Sign in" section with fields for "User Name:" and "Password:", and a "Login" button. Below the login section are links for "Reset Password" (for forgotten passwords) and "Unlock Account" (for locked accounts).

Use the site to change your password

The screenshot shows the "Change Password" page. At the top, there are tabs for "Change Password", "Enrollment", and "Link Accounts". The main heading is "Change Password" with the instruction "Change your current domain password." Below this is a section for "Domain Password Policy Requirements" with a list of rules: minimum password age is 0, maximum password age is 120, minimum password length is 8, number of passwords remembered is 5, and password complexity property is disabled. There is a dropdown menu for "Select Account(s)" currently set to "--All accounts are selected--". Below are input fields for "Old Password", "New Password", and "Confirm New Password".

ENROLL!

Filling out your security questions will help you if you ever get locked out of your account

The screenshot shows the "User Registration" page. At the top, there are tabs for "Change Password", "Enrollment", and "Link Accounts". The main heading is "User Registration" with the instruction "The information you provide here would be used to authenticate you when attempt to reset password or unlock your account." Below this are two tabs: "Security Questions" and "Verification Code". Under "Security Questions", there is a "Length Specification" section with rules: minimum length of question is 3 characters, maximum is 255; minimum length of answer is 3 characters, maximum is 255. There is a "Register Your Security Que & Ans" section with a dropdown for "Que:" and an "Answer" field. Below that is a section for "Write your own question" with "Que:" and "Answer" fields.

You can also provide your cell number or an alternative email address to assist in unlocking your account.

The screenshot shows the "User Registration" page, specifically the "Verification Code" tab. Below the "Security Questions" section, there is a "Register Your Mobile Number(s)" section with an input field for "Enter your mobile number" and a "+" button.
