Tyrell and Mitchell International Student Book Scholarship
Guidelines and Application Information

The purpose of this scholarship is to assist academically eligible international students with the high cost of textbooks and study materials each semester. Every complete application received by the required deadline will be given fair and careful evaluation. Scholarship funds will be awarded each spring semester.

Who is eligible to apply?
1. International students enrolled full-time at Cameron University with an F-1 visa
2. Must be an active paying member of CU International Club for two consecutive semesters
3. Recipient must not be on academic probation or have an outstanding balance due with the Business Office.
4. Recipient must have a minimum 2.5 cumulative Grade Point Average to receive this scholarship. The recipient must maintain the 2.5 cumulative GPA to retain the scholarship.

How to apply
1. Submit a scholarship application to the Cameron University Office of Financial Assistance by the required deadline, October 31st.
2. Submit a current official transcript.
3. Submit proof of active membership in CU International Club (such as copies of receipts).
4. Submit a typed, two-page essay that addresses one of the following questions:
   a. How will you contribute to society post-graduation and ensure your personal success?
   b. What service activities will you participate in while in college and how will you motivate other students to participate?

How will the recipient be notified?
The Office of Financial Assistance will notify recipients via email and/or in writing of the conditions and requirements within 30 days of the committee’s decision.

How will the recipient receive the funds?
The student will be issued a book store voucher which will identify the amount of the award and any specifics relating to what may or may not be charged.

Special note
A scholarship committee, appointed in accordance with Cameron University Policies and Procedures, will review applications to determine the scholarship recipients each spring semester. Scholarships will be awarded in amounts not to exceed $200. Award amounts will be determined by the availability of funds. Scholarship recipients must reapply each year to be reconsidered.

This book scholarship is not transferable to other universities. Should the recipient’s residency status change the scholarship will be terminated. The Office of Financial Assistance reserves the right to terminate scholarships of students who do not maintain the required 2.5 GPA.
