This Associate of Applied Science degree program in respiratory care is designed to prepare students for entry level employment as a Respiratory Therapist. The program is offered as a co-operative agreement by Cameron University and Great Plains Technology Center. Cameron University will provide general education, technical support and related courses and will grant the degree. Great Plains Technology Center will provide the technical-occupational specialty course in respiratory care.

**DEGREE REQUIREMENTS**

GENERAL EDUCATION.....18 Hours

TECHNICAL OCCUPATIONAL SPECIALITY.....32 Hours

SUPPORT & RELATED COURSES.....13 Hours

TOTAL .....63 Hours

**CAMERON UNIVERSITY REQUIREMENTS**

In addition to the specific requirements above, the student must meet all other general education requirements including 15 semester hours in residence and a grade point average of 2.00 or higher. Consult the University Catalog for a complete discussion of the Associate of Science degree requirements.
