APPLICATION ESSAY

To be considered for admission as an Interdisciplinary Studies student, applicants must complete an essay outlining the rationale for the proposed degree.

This essay must address the following:

- Why you are choosing Interdisciplinary Studies/your educational objective.
- Your specific academic or career goal and how an Interdisciplinary Studies degree will help you attain this goal.
- Why a traditional degree does not meet your academic goals or needs.
- Why you chose the disciplines you indicated on your application and how they work together to meet your academic or career goal.

The essay should be formatted according to the APA Publication Manual and must be included with the application for admission.

NEXT STEPS

Submit the completed application and essay to:

Holly Thomas
Advisement Specialist
Academic Advising Center
Cameron University
2800 W. Gore Blvd.
113 North Shepler
Lawton, OK 73505

All application materials will then be reviewed by the Interdisciplinary Studies faculty committee. If you are accepted into the Interdisciplinary Studies program, you will be notified in writing via email. This will be sent to your Cameron University student email.

Upon admission, you should schedule an advising appointment by going to http://www.cameron.edu/advising-center and clicking “Schedule Now”. Your Advisor will help organize the degree plan according to your stated goals and will give you a complete and up-to-date degree plan, showing all completed courses and exactly which classes need to be taken to complete your degree.
