12:30	Sessions End (on time)	

Outstanding high school and college students will be demonstrating their winning Speech events. This will be an excellent opportunity for your beginning Speech students and "gifted and talented" students to watch and learn about all the competitive Speech events. Our I. E. Emcee, Paula McConnell, will be describing and discussing each contest event before each performance by the award winning students. Her students perform many humorous skits to help introduce the events. This is a fast-pace, very entertaining program. This year we are offering Lincoln Douglas Debate and CX Team Debate Workshops and short demonstrations next door at Museum Auditorium. Fred Collins of Lone Grove/Ardmore will be the Workshop Instructor and Emcee. This will be a great opportunity for students to learn about Debate. The seating is "First Come – First Serve." If the balcony section is open, students seated in the balcony must have sponsors with them. McMahan Auditorium has plenty of bus parking in front of the auditorium.

Do You Have a Student Who Would Like to Perform?

We would like to showcase as many schools as possible in Demonstration Day. If you have students who won at regional or state, call or email us. In cases where we have several individuals nominated for the same event, we will select those students with the highest placing. Even though they probably will not be performing, we will list the other students as alternates in the program to give them recognition. Please call or email us by Thursday, September 4 with nominations. We need: 1) name of students, 2) title of their pieces, 3) placing at regional or state. tallison@cameron.edu

ADMISSION CHARGE: \$8.00 per person **Last Year 580 Students and Teachers from 31 Schools!**
