

# **GOODYEAR TIRE & RUBBER COMPANY**

## **Technology Internship -- Lawton, Oklahoma**

The Goodyear Tire & Rubber Company, a leader in tire development and manufacturing, has challenging opportunities available for qualified individuals who are working towards a BS degree in Chemistry. Students will work in our state-of-the-art tire manufacturing facility in Lawton, Oklahoma.

The internships are scheduled for this summer, fall and spring.

Job duties vary by position but typically involve interfacing with our Chemical engineers and working in our Physical Test lab.

This is a paid internship with the pay scale determined by academic tenure (ex. Jr. Sr.) and number of previous internships.

### **Job Requirements include:**

- Junior or Senior classification in Chemistry.
- GPA minimum 2.8
- Ability to function as part of a team and work cooperatively toward team goals
- Excellent communication and interpersonal skills
- Desired computer skills: Microsoft Word, Microsoft Excel, Lotus Notes.
- Experience in a manufacturing environment, the rubber industry, or co-op/intern experience is a plus

**Equal Opportunity Employer M/F/D/V**

**Applicants must be legally authorized to work in the U.S.**

Qualified candidates may send or e-mail resumes to:
