Blackboard Privacy Policy
The following privacy policy applies to personal data collected at www.blackboard.com, Behind the Blackboard™ (behind.blackboard.com), or other Blackboard websites, and data collected through the provision of Blackboard products or services (collectively, the "Services").

Cameron University Computer Use Policy
This policy will establish the general guidelines for the use of CU computing resources equipment, services, software, and computer accounts by students, faculty, staff and administration.
http://www.cameron.edu/its/computer_use_policy

Cameron University Copyright Compliance Policy
The Cameron University Copyright Compliance Policy is to provide a summary of U.S. copyright law as it relates to the use of text based copyright-protected works in the classroom and library at Cameron, and to provide guidelines and procedures for obtaining copyright permission to use these works.
http://www.cameron.edu/.../Copyright_Compliance_150829.pdf

Cameron Bookstore
It’s your “One-Stop-Shop” for textbooks, computers, supplies and collegiate apparel.
http://www.bkstr.com/cameronstore/home

Cameron University Library

Cameron Testing Centers
- Sarkeys Foundation Student Computing Center
  The Sarkeys Foundation Student Computing Center (SFSCC) serves as an alternate testing site for students requiring a proctor.
  Proctoring Policy - http://www.cameron.edu/sfscc/proctor.html
- Shepler Testing Center
The Testing Center is responsible for coordinating, administering, and scoring a wide range of national, international, and local tests for the Cameron University community and the general public.

**Proctoring Policy** - [http://www.cameron.edu/testing/policies](http://www.cameron.edu/testing/policies)

- **CU – Duncan**
  The CU-Duncan Testing Center serves exclusively as a testing site for students requiring a proctor. Students are required to schedule an appointment. Appointments must be made such that students have sufficient time to complete exams before closing time.

**Proctoring Policy** - [http://www.cameron.edu/duncan/testing/testingpolicy.html](http://www.cameron.edu/duncan/testing/testingpolicy.html)

---

**CU Be SMART**

CU Be SMART is a program providing information, resources, support, and encouragement for students with children. Making Cameron more family friendly for student parents will help provide incentive to stay in college and complete a degree program. SMART Academy workshops and Kids' College activities help students attend workshops and activities.

---

**Student Email**

Every student enrolled at Cameron University is issued a Cameron University email account with an email address of firstname.lastname@cameron.edu. This University issued email account will be the address used when official University communication is sent via email.

[http://gmail.cameron.edu](http://gmail.cameron.edu)

---

**Student Handbook**

The Cameron University Student Handbook provides important information regarding university policies and resources.

[http://www.cameron.edu/studentservices/handbook](http://www.cameron.edu/studentservices/handbook)

---

**Study Skills Resources**

The faculty and staff in the Office of Teaching & Learning provides Cameron students with resources and tools for success through our University classes, our learning labs, our individual tutoring, and our website.

[www.cameron.edu/studyskillsresources](http://www.cameron.edu/studyskillsresources)

---

**Technical Support**

[http://www.cameron.edu/online/general/student-helpdesk](http://www.cameron.edu/online/general/student-helpdesk)

---

**Tutoring Resources**

- **Center for Academic Success**
  The Center for Academic Success offers tutoring and academic coaching to help students develop effective study strategies. Center staff can assist with reading assignments, test preparation, note-taking, time management, and other skills relevant to most academic subject areas.

  [http://www.cameron.edu/teaching_and_learning/center_for_academic_success](http://www.cameron.edu/teaching_and_learning/center_for_academic_success)

- **Center for Writers**
  At the Center for Writers, you can discuss rhetorical, grammatical, or mechanical issues during any stage of your writing project. Whether you are a first-year student with limited experience or a Masters-level student working on your thesis, we can help you increase your understanding of the writing process...

  [http://www.cameron.edu/writing_center/staffservices.html](http://www.cameron.edu/writing_center/staffservices.html)
• **Center for Writers for Online Students**
The Center for Writers Online provides Cameron's online and distance-learning community with consultation services comparable to those available on campus.  
[http://www.cameron.edu/writing_center/owl.html](http://www.cameron.edu/writing_center/owl.html)

• **Mathematics Laboratory**
Tutors are available to assist students with general topics as well as specific questions they may have. However, tutors are not permitted to check students’ homework.  
[http://www.cameron.edu/math/mathematics-laboratory](http://www.cameron.edu/math/mathematics-laboratory)

• **Duncan Tutoring Lab**
The Tutoring Lab offers free tutoring services to students needing assistance with math and writing related assignments.  
[http://www.cameron.edu/duncan/tutorlab.html](http://www.cameron.edu/duncan/tutorlab.html)

• **Additional Tutoring Resources**
Page lists the location, contact information, and hours of operation for the following additional tutorial labs.  
  - Physical Sciences Tutoring  
  - Speech Lab  
  - Student Support Services Tutorial Labs  
[http://www.cameron.edu/teaching_and_learning/other_tutoring_resources](http://www.cameron.edu/teaching_and_learning/other_tutoring_resources)

• **Tutor.com**
Tutor.com is an online tutoring service that provides one-to-one personalized access to expert tutors 24 hours a day, 7 days a week. Cameron University provides access to 8 free hours of tutoring through Tutor.com for currently enrolled students.
