THREE GOALS OF THE CAMERON MBA PROGRAM

1

Provide graduates with current professional, academic, and authentic career-focused instruction through individualized attention from professors with extensive corporate and small business experience

2

Use experiential learning to provide graduates with foundational theory, business principals, professional skills, and critical knowledge needed for effective management of modern businesses and organizations

3

Provide small class sizes, flexible scheduling, and an abundance of field experience that will leave graduates with an understanding of the processes required to integrate and apply core competencies in today's fast-paced market

The Cameron University Department of Business MBA program is fully accredited by Accreditation Council for Business Schools and Programs (ACBSP).
