(Last Name)	(First Name)	(Middle Initial)
-------------	--------------	------------------

*I understand that in this job shadowing experience, my role is that of a student in an observation capacity only. I also understand that I am not expected to provide any patient care, but to observe and learn the scope of practice of radiologic technologists first hand. Furthermore, this job shadowing experience is a requirement to complete my application into the Radiologic Technology degree major at Cameron University.*
