

Cameron University
Radiologic Technology Program
GRADUATION REQUIREMENTS

- **Complete all Department Requirements**
- **Minimum 81 Total Credit Hours**
- **Minimum 15 Credit Hours in Residence at Cameron**
- **Retention GPA 2.0**
- **Cameron GPA 2.0**
- **Complete Graduation Application Online**

The Program's graduation rates are consistent with the program's mission and goals, and with JRCERT accreditation policy.

Program graduates earn degrees or certificates within 150% (36 months) of the published program length from the start date.

The Radiologic Technology Program is competency-based education that provides for variable graduation, to include an option for extension of program length for students unable to complete all competencies/ graduation/ completion requirements in the established program time frame. . (NOTE: Academic Course failure does not constitute a variable completion date of graduation.)

Graduation/Completion Requirements:

To be completed prior to graduation & fulfill Cameron University & Program requirements.

- Students must receive a minimum of a C or a 78% average to pass the Radiologic Technology courses, with the exception of Radiologic Technology Seminar course, which must be a minimum of 80%. Students are required to have a 78% ending GPA in each course taught each semester to advance to the next semester of the program and 80% for the Radiologic Technology Seminar course in order to graduate the program.
- In compliance with JRCERT and ARRT standards, all competencies required to sit for national certification completed.
- All books, CDs and computer disks have been returned to the GPTC Health Careers Librarian in satisfactory condition. (Once student has completed the program, books, CDs and computer disks cannot be checked out through the GPTC Library.)
- All student information records, to include permanent address with phone number and place of employment address with immediate supervisor, if available, upon graduation.
- Cleared outstanding debts or financial obligations with Cameron University, GPTC, or Radiologic Technology Program, and with the Health Careers Secretary.
- Cleared and cleaned locker as verified by instructor.
- Program exit surveys turned in to Health Careers Secretary.
- All Campus and Clinical ID badges and dosimeter turned in to program.
- Passing of 3 National Certification Preparation Exams with an 80% score or higher.
