

Student Name _____ Student CU ID# _____

Classification/Course _____ Major: BA BM BME Minor

Piano	Exceeds Expectations 3	Meets Expectations 2	Does Not Meet Expectations 1
Sound Quality	Superior sound quality most of the time. Sound is beautiful and well controlled.	Overall good sound quality with some lapses.	Sound is unpleasant and harsh.
Rhythm and Tempo	Rhythms accurate throughout. Appropriate tempo maintained.	Rhythms accurate some of the time, but weak in some passages.	No rhythmic accuracy. Lack of internal pulse.
Musicality	Performance stylistically appropriate and expressive. Considerable attention paid to phrasing and dynamics.	Adequate presentation with lapses in two or more areas.	Weak throughout
Repertoire	Superior choice and variety of repertoire with challenging works	Good choice of repertoire with some variety	Unacceptable repertoire with no variety
Stage Presence (demonstrated confidence and memorization)	Superior confidence and no memory slips	Adequate confidence and minimal memory slips	No confidence and several memory slips
Precision	Played over 90% of the notes accurately	Played 70% of the notes accurately	Played less than 69% of the notes accurately
Technique	Has no problem playing fast, loudly, softly and evenly, and balancing between and within hand(s)	Technique is generally acceptable with some inability to execute the above.	Playing the piano is a struggle at all times due to lack of technique.
Evaluator			Total

(satisfactory is a score of 13)
