

## ACADEMY APPLICATION

### "NanoExplorers: A High School Summer Science Academy"

JUNE 16-21 & 23-28, 2024

**HIGH SCHOOL SCIENCE AND MATHEMATICS ACADEMY  
DEPARTMENT OF CHEMISTRY, PHYSICS & ENGINEERING  
CAMERON UNIVERSITY, LAWTON, OKLAHOMA 73505-6377**

"NanoExplorers: A High School Summer Science Academy", is designed for Oklahoma high school students who are entering their **freshman, sophomore or junior year in the Fall of 2024**. The program will introduce several aspects within the fields of Science Engineering through the use of academic projects that are designed to stimulate creativity, and be fun! The academy is funded by the *Oklahoma State Regents for Higher Education (OSRHE)* and **Cameron University**, so there is **NO CHARGE** to participants. All project supplies and equipment, instruction by CU faculty, lunches, and transportation to scheduled activities during the academy will be provided. Assistance for transportation to and from the campus may be provided, based on need. The academy takes place **June 16-21 and June 23-28, 2024** and includes meals and university housing. For more information contact, E. Ann Nalley (580-581-2889, 405-659.8425, or via email at [annn@cameron.edu](mailto:annn@cameron.edu)).

Other OSRHE Academies attended;

Other OSRHE Academies applied for in 2023:

**Application deadline is April 15, 2024.** Notification of acceptance into the program will occur by May 15, 2024. I hereby authorize the release of information contained in this application to authorized campus personnel.

Signed: \_\_\_\_\_  
 , 2024

Date:

**Mailing instructions on the back**

Several hundred Oklahoma students are applying for State Regents Summer Academies. Students attending more than one State Regents Summer Academy may prevent many other students from having this opportunity. Although some Academies do not have waiting lists, others have very long waiting lists.

So that more students may attend a State Regents Summer Academy, I will notify Academy Directors if I am accepted for more than one 2024 Academy.

Applicant
