

Dependent Special Conditions

Academic Year 2021-2022

The Department of Education recognizes that special conditions may exist for families who have suffered major reductions in income for various reasons between 2020 and 2021. For those families, the 2019 tax return does not accurately reflect the current financial status. If your family's income has been significantly reduced, you should complete this form, attach documentation and return it to the Financial Assistance Office for further consideration of your 2021-2022 eligibility for aid. You must be sure to **provide copies of all documentation requested.** Incomplete forms will NOT be evaluated.

If you are unable to use the IRS DRT, you must submit a copy of your **2019 Tax Return Transcript** or a SIGNED copy of your 2019 Tax Return with Schedule 1, 2, and / or 3, if applicable. A tax return transcript can be obtained:
