

Unusual Enrollment History Verification

Academic Year 2023-2024

Your 2023-2024 Free Application for Federal Student Aid (FAFSA) has been flagged for “Unusual Enrollment History Review” by the U.S. Department of Education because you have received federal funds at multiple education institutions during the past four academic years (2019-20, 2020-21, 2021-22 and 2022-23). Cameron University is required to review your enrollment history and determine whether or not you are enrolling in an institution long enough to have received aid without earning any academic credit towards degree completion. In the process of reviewing your enrollment history, we will check the National Student Loan Data System (NSLDS) to obtain a complete academic record including the name of institutions you have attended and the dates of attendance. **You must complete and sign this worksheet, attach any required documents, and submit the form to our office. Do not leave any questions blank. If you are unable to provide the required transcripts, you must explain in detail why you are unable to provide the transcripts.**
