B. Reason For Request

Please check ONE:

I would like to accept or increase all or part of my loans.

I have had a change in class level (*ex: freshman to sophomore*).

My parent was denied a PLUS loan, and I'm requesting additional unsubsidized loan eligibility (\$2000/semester).

I have Federal Work Study that I want to convert into a loan (*I have not reached my annual loan limit*).

I want to reduce the loan(s) that I previously accepted (*put the reduced amount in the amount field*).

I want to **cancel** the loan(s) that have already been disbursed (*put \$0 in the amount field*).

C. Amounts Requested

Indicate the amount that you would like to borrow for the loan period selected (whole numbers only). If you are receiving the loan for one term, the amount must be split into two equal payments – one at the beginning of the term and one mid-term. First-time freshman borrowers must wait 30 days from the start of the term for their first disbursement.

If you request more than your maximum eligibility, your loan will only be certified for the maximum amount allowed. Subsequent financial aid award offers or enrollment changes may reduce your overall loan offer, even after it has been disbursed.

ONLY BORROW THE AMOUNT YOU TRULY NEED. Loans gather interest over time and **must** be paid back.

Loan Period (check all that apply): Fall Spring Summer **Aid Year:** _____

Subsidized Loan Amount: \$ _____
(Need-based loan; interest is paid by the federal government while in school)

Unsubsidized Loan Amount: \$ _____
(Non-need-based loan; interest accrues while in school)
